## *Pasqualina Camarata*

November 10, 1927 – January 2, 2023

## *From Italy to Heaven*

*From the fields to the seeds to the garden rows  
There's one thing Pasqualina cared to show  
That family and friendship mattered most  
She was the most generous Sunday host*

*When her toys sang, her smile glowed  
She served apple crisp, cookies and panettone*

*No matter what life threw her way  
Her resilience was here to stay*

*No longer in the face of pain  
She'll face her Savior once again*
