

FOOTPRINTS

*One night a man had a dream. He dreamed he was
walking along the beach with the LORD.*

Across the sky flashed scenes from his life

*For each scene, he noticed two sets
of footprints in the sand; one belonged to him,
and the other to the LORD.*

*When the last scene of his life flashed before him,
he looked back at the footprints in the sand.*

*He noticed that many times along the path of his life
there was only one set of footprints.*

*He also noticed that it happened at the very
lowest and saddest times in his life.*

*This really bothered him and he questioned the
LORD about it. "LORD, you said that once
I decided to follow you, you'd walk with me all the way.
But I have noticed that during the most troublesome
times in my life, there is only one set of footprints.*

*I don't understand why when I
needed you most you would leave me."*

*The LORD replied, "My precious, precious child,
I love you and would never leave you.
During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you."*
