

Acknowledgement

Words cannot express our appreciation for your calls, cards, visits, acts of kindness and concern shown during the loss of our loved one. Most of all, we are grateful for your continued praying, during our sorrow.

Mother, you were just a girl,

So many years ago.

You had your loves and had your dreams, you watched us

come and go. You watched us

make the same mistakes, That you had made before, But

that just made you hold us tight,

And love us all the more.

We haven't always thought about the things that you have

seen. To us you've just been

'Mother', No thought of who you've been.

But we remember now in love,

Your life from Start to end, And we're just glad we knew

you, As Mother, and as a friend.

Love, The Trammell Family
