### **Footprints in the Sand**

*One night I dreamed a dream.*

*I was walking along the beach with my Lord.*

*Across the dark sky flashed scenes from my life.*

*For each scene, I noticed two sets of footprints in the sand, one belonging to me and one to my Lord.*

*When the last scene of my life shot before me I looked back at the footprints in the sand.*

*There was only one set of footprints.*

*I realized that this was at the lowest and saddest times of my life.*

*This always bothered me and I questioned the Lord about my dilemma.*

*"Lord, You told me when I decided to follow You, You would walk and talk with me all the way.*

*But I'm aware that during the most troublesome times of my life there is only one set of footprints.*

*I just don't understand why, when I need You most, You leave me."*

*He whispered, "My precious child, I love you and will never leave you, never, ever, during your trials and testings.*

*When you saw only one set of footprints, It was then that I carried you."*
