### ***The Broken Chain***

*We little knew that morning  
That God would call your name  
In life we loved you dearly  
In death we do the same*

*It broke our hearts to lose you  
You did not go alone  
For part of us went with you  
The day God called you home*

*You left us beautiful memories  
Your love is still our guide  
And although we cannot see you  
Your always by our side*

*Our family chain is broken  
And nothing seems the same  
But as God calls us one by one  
The chain will link again*

## May I Go Now?

*May I go now?  
Do you think the time is right?  
May I say goodbye to pain filled days  
and endless lonely nights?  
I've lived my life and done my best,  
an example tried to be.  
So can I take that step beyond  
and set my spirit free?*

*I didn't want to go at first,  
I fought with all my might.  
But something seems to draw me now  
to a warm and loving light.  
I want to go, I really do.  
It's difficult to stay.  
But I will try as best I can  
to live just one more day.*

*To give you time to care for me  
and share your love and fears.  
I know you're sad and afraid,  
because I see your tears.*

*I'll not be far,  
I promise that, and hope you'll always know  
that my spirit will be close to you  
wherever you may go.*

*Thank you so for loving me.  
You know I love you too,  
that's why it's hard to say goodbye  
and end this life with you.  
So hold me now just one more time  
and let me hear you say,  
because you care so much for me,  
you'll let me go today.*

*I am the resurrection and the life: He that believeth in me  
    though he were dead yet shall he live.*

*And whosoever liveth and believeth in me shall never die.*

~John 11:25-26

## *I'm Free*

*Don't grieve for me, for now I'm free,  
I'm following the path God laid for me.  
I took his hand when I heard his call,  
    I turned my back and left it all.*

*I could not stay another day,  
    To laugh, to love, to work, to play.  
Tasks left undone must stay that way,  
I've found that peace at the close of the day.*

*If my parting has left a void,  
    Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss,  
    Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow,  
    I wish you the sunshine of tomorrow.  
My Life's been full, I savoured much,  
    Good friends, good times, a loved one's touch,*

*Perhaps my time seemed all too brief,  
    Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
    God wanted me now, He set me free.*
