APPRECIATION

On behalf of the family, we wish to express their gratitude for your many kindnesses evidenced in thought and deed, and for your attendance at Scott's graveside service.

A uniqueness that could only come from a Creator's TOUCH,

A life lived with simplicity of purpose and unyielding

From moment to moment,

All of life's needs were met with a peace that surpasses all understanding,

And now to the heavens,

A life rises up like a leaf

Carried by the Wind.

Scott E. Ellis, 59, a loving father, son, brother, uncle, and grandpa was called from his Lord and Savior on March 31, 2022. He died due to a Subarachnoid Hemorrhage that put him in a severe coma. Although now he has passed, he will not be forgotten but surely missed.

Scott was born in St. Louis, Missouri and shortly a year later he moved to Springfield, MO where his parents Suzie and Harry Ellis raised him. He spent most of his life in Springfield and the other part in California. After he graduated Drury University he moved west where he found and created his family that he loved dearly until his very last day here on Earth. Scott was someone who enjoyed the little things in life and always made sure that his loved ones were okay. He showed his huge heart when it came to his family and they will always remember him that way. The heavens above have surely gotten an angel.
