

To Those I Love
When I am gone, just release me, let me go —
so I can move into my afterglow.
You mustn't tie me down with your tears;
let's be happy that we had so many years.
I gave you my love, you can only guess
how much you gave me in happiness.
I thank you for the love you each have shown,
but now it's time I traveled on alone.
So grieve for me awhile, if grieve you must,
then let your grief be comforted with trust.
It's only for a while that we must part,
so bless the memories within you heart.
And then, when you must come this way alone,
I'll greet you with a smile and a "Welcome Home."

In Loving Memory
