#### **A Love Supreme – Dedicated to that Great Cosmic Unseen**

Love

Love is a sacred word  
Love is the name of God

The entire universe is created with Love by Love and in Love

Love is the beginning  
Love is the continuation  
And Love is the end

Love for love's sake is divine  
It is constrictive, it is beautiful  
Brings peace  
Brings harmony  
It brings joy  
To the lover  
And to the loved

But if Love is based on selfishness and egoism  
The very same love brings restriction

Peace and harmony is based on Love  
And used properly by a selfless mind for the benefit of humanity

Love knows no business  
Love knows no bargain  
Love never expects anything in return  
Love knows only giving  
Giving and giving

Without even waiting for a thank you  
Such a Love is the supreme word

Let that Love Supreme reign over the universe

**Lene** grew up in Mansfield, Ohio and settled in Columbus where she worked for thirty years and retired as an Inspector for General Motors, Lordstown Division.
