

There simply are no words to assuage the pain you feel  
An ache that will not cease tells you that your love was real  
For one who's light has disappeared far before her time  
One who touched so many lives, including yours and mine

A smile that made you smile right back, a sparkle in her eyes  
A spirit filled with joy and hope, a heart that was kind and wise  
She may be removed from our view this day both in time and space  
But the memories we made with her nothing can erase

Thank God from whom all blessings flow that this is not the end  
Our faith and hope make Heaven our home, we will see her again  
She is home with her savior now, and loved ones gone before  
We are assured by Christ's own words, she will be comforted evermore

One sweet day we too will go to that blessed realm above  
That is filled with peace, where the atmosphere is love  
So, worry not and cling to hope when the hurt is fresh and deep  
Our sweet, bright girl is at peace, never again to weep
