

Walt was taken from us on November 22, 2024.
He lived a life full of joy and drew his strength from the
relationships he so carefully cultivated and maintained.
What mattered to Walt most was friends and family. He
was a genuinely happy person who cared deeply for others
including the students he worked with daily. In so doing, he
made it impossible for others to not love him back.
And so it is with heavy heart that we think of him now but
must take courage in the fact that he is in a better place and
we are all better off for having known him.

memory of
