The Obituary

James J. Hayden was born on August 27, 1991, in Youngstown, Ohio to his devoted parents Carla Hayden and James Richardson Jr. His adolescent years were spent in Alabama and Ohio. The family would later move to Georgia where he built a loving relationship with his "Uncle Reggie," as they bonded over their passion for old school cars and music. He would later graduate from MLK High School (Decatur, Ga.).

The birth of his son Kamari was undeniably a defining moment in his life; he was the "Proud Father." James continued to work on his goals and strived to be the best parent he could be. With the arrival of his daughters Briyanah and Jamina his role as a hands-on father was top priority. In recent years James moved back to Columbus, Ohio where he met and married Porsha Lee. He was currently employed by Sound Chamber Car Audio.

James J. Hayden passed away on June 23, 2021...
