Celebrating a Life

Stephanie Marie Plumb

*The moment you left me,
my heart was split in two,
one side was filled with memories,
the other side died with you.
I often lay awake at night
when the world is fast asleep,
and take a walk down memory lane
with tears upon my cheek.
Remembering you is easy.*

*I do it every day,
but missing you is a heartache
that never goes away.
I hold you tightly within my heart
and there you will remain,
you see life has gone on without you,
but will never be the same.*
