### **The Broken Chain**

We little knew that morning  
That God would call your name  
In life we loved you dearly  
In death we do the same

It broke our hearts to lose you  
You did not go alone  
For part of us went with you  
The day God called you home

You left us beautiful memories  
Your love is still our guide  
And although we cannot see you  
You're always by our side

Our family chain is broken  
And nothing seems the same  
But as God calls us one by one  
The chain will link again
