

Because I sleep in the nude
I am fine, never crude
But can be very rude
If troubling turpitude
Upsets my attitude.
I disdain platitude
And reach for altitude
In order to elude
The blatant magnitude
And mortal plenitude
Of lie, in gratitude,
Hatred and servitude.
Yes, my first name is Jude
And they call me "The Dude",
No...I do not intrude,
No...I do not exclude,
No...I do not extrude.
I adore solitude
And despise multitude
...cause I was born "Lone Dude"
And will die "Lone Dude"
