The Last Ride

*I stood and I watched as my brother rode by
It wasn't the way it should be
He rode not his bike, but in a long black cage
And he rode by himself and not with me
But I shed not a tear for the brother of mine
For he lived free and loved his lifestyle
So, ride on my brother and rest in peace
Till we meet again after while
And when my time comes to take that last ride
You can bet it'll be with a smile
Cause I love to ride, and I'll be going home
So, I'll enjoy it to the very last mile*

Special thanks to Jimmy Wilson and Heavy Medal M.C.
