"I'm Free"

Please don't say that I gave up, just say that I gave
Don't say that I lost the battle, for ⁱⁿ I was God's
war to lose or win
Please don't say how good I was, but say I did my
best
Just say I tried to do what's right: to give the most
I could, not less -
Please don't give me wings or halos, that's for God
to do
I want no more than I deserve, no extras- -just my
due!
Don't be concerned with me now, I'm well with
God, I've made it home
★ Don't talk about my illness, it's over and it's done
Just see to all my family's needs, especially the
little ones
When you draw a picture of me, don't draw me as
a saint
I've done some good: I've done some wrong, so use
all the paint
Not just the bright and light tones, use some gray
and dark
In fact, don't put me down on canvas, paint me in
your heart
Don't just remember the good times, also
remember the bad
For life is full of many things, some happy and
some sad
But if you must do something, then I have one
request
Forgive me for the wrong I've done, and with the
love that's left.

Thank God for my soul's blessing
Thank God for I've been blessed
Thank God for all who love me
Praise God who loves me best.
