## "Gone Too Soon"

Words cannot describe the loss I feel  
Saying farewell to you,  
But Heaven chose to give you wings,  
And now it's time you flew.  
I wish that we could have more time,  
That God had let you stay.  
Forever would not be long enough,  
But I would take one day.  
I wish I had just one more chance  
To see that tender smile.  
To laugh with you again just for a little while.  
Gone too soon, but not forgotten,  
Forever you will remain.  
My guiding light, my shining star  
Until I see your face again.
