### *Loving Memories of a Special SON*

*To lose someone so special  
Is really hard to bear  
It hardly seems believable  
That you are no longer there*

*You left us far too early  
Before your time, it seems  
And now you'll never have the chance  
To fulfill all those dreams*

*However hard it is though  
We'll take comfort in the thought  
Of all the memories we have  
And the happiness you brought*

*You always lived life to the full  
But ours won't be the same  
Until the day when we can see  
Your smiling face again.*
