The Broken Chain

*We little knew that morning
That God would call your name
In life we loved you dearly
In death we do the same*

*It broke our hearts to lose you
You did not go alone
For part of us went with you
The day God called you home*

*You left us beautiful memories
Your love is still our guide
And although we cannot see you
You're always by our side*

*Our family chain is broken
And nothing seems the same
But as God calls us one by one
The chain will link again*

Footprints

*One night I dreamed a dream.
As I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the
sand, One belonging to me and one to my Lord.*

*After the last scene of my life flashed before me,
I looked back at the footprints in the sand.
I noticed that at many times along the path of my life,
especially at the very lowest and saddest times,
there was only one set of footprints.*

*This really troubled me, so I asked the Lord about it.
"Lord, you said once I decided to follow you,
You'd walk with me all the way.
But I noticed that during the saddest and most
troublesome times of my life,
there was only one set of footprints.
I don't understand why, when I needed You the most,
You would leave me."*

*He whispered, "My precious child, I love you and will
never leave you
Never, ever, during your trials and testings.
When you saw only one set of footprints,
It was then that I carried you."*

*I am the resurrection and the life: He that believeth in me
though he were dead yet shall he live.
And whosoever liveth and believeth in me shall never die.*

I Am Free

*Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call,
I turned my back and left it all.*

*I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found that peace at the close of the day.*

*If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My Life's been full, I savored much,
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.*
