We Miss You

We cried when you passed
We still cry today
Although we loved you dearly
We couldn't make you stay
Your golden heart stopped beating
Hard working hands at rest
God broke our hearts to prove to us
He only takes the best.

Memories of Dad

We do not need a special day to bring you to our minds.

The days we do not think of you are very hard to find.
Each morning when we awake we know that you are gone.

And no one knows the heartache as we try to carry on.
Our hearts still ache with sadness and secret tears still flow.

What it meant to lose you no one will ever know.
Our thoughts are always with you, your place no one can fill.

In life we loved you dearly; in death we love you still.
There will always to be a heartache, and often a silent tear.

But always a precious memory of the days when you were here.

If tears would make a staircase, and heartaches make a lane,

We'd walk the path to heaven and bring you home again.

We hold you close within our hearts; and there you will remain,

To walk with us throughout our lives until we meet again.

Our family chain is broken now, and nothing seems the same,

But as God calls us one by one, the chain will link again.

Love is...

*My love for you I cannot say
It comes and goes in many ways
It's here it's there
It's everywhere
My love is blind
My love is free
My love for you
You can never see
I loved you then
I love you now
I'll love you always there is no doubt
The love of us will never fade
The love of us will never betray
Because the love I found in my heart
Was meant to be from the start
As I end my poem remember this
My love for you, you can never miss*
