I'm Free

*Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call,
I turned my back and left it all.*

*I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found that peace at the close of the day.*

*If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My Life's been full, I savoured much,
Good friends, good times, a loved one's touch,*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.*

Safely Home

*I am home in Heaven, dear ones;
Oh, so happy and so bright!
There is perfect joy and beauty
In this everlasting light.*

*All the pain and grief is over,
Every restless tossing passed;
I am now at peace forever,
Safely Home in Heaven at last.*

*There is work still waiting for you,
So you must not idly stand;
Do it now, while life remains-
You shall rest in Jesus' land.*

*When that work is all completed,
He will gently call you home;
Oh, the rapture of that meeting,
Oh, the joy to see you come!*

GOD saw you were getting tired
When a cure was not to be.
He closed his *Arms*
around you and whispered,
"Come To Me."

In tears we saw you sinking,
we watched you fade away.

Our *Hearts*
were almost broken,
you fought so hard to stay.

But when we saw you sleeping
so peacefully, free from pain,
we should not wish you back to suffer that again.
So treasure her, Lord, in your garden of rest.

For here on earth,
She Was The Best.
