The family of Emmanuel S. Hall would like to express their sincere gratitude to all the family and friends who offered prayers, support, and sympathy during their time of bereavement. May God continue to bless you all!

Emmanuel

My Beloved Son was Born 9-21-1994

I knew Emmanuel was called for greatness, He was a genius at the age of 9-months as a little boy. He was a very good kid, smart, and loved. Emmanuel started speech language school at the age of three years old. Emmanuel went to a private elementary school, a private middle school and my son graduated from a private jewish high school at the age of 16 years old. Emmanuel was in college for Computer Engineering. He decided to do something greater for himself. My son joined the Air Force in 2017, when he was 23 years old. He was in the U.S Air Force for six years. God has given me the perfect son for 29 years and 8 months and seven days. My son Emmanuel Stevens Hall, did not drink, smoke, or do drugs. He was not a club or street young man.

I thank God for giving me as a strong, smart, humble and handsome man of God! You will always be remembered as a wonderful Blessed man of God. We Love You!

Reflections of Life

Born on September 21, 1994 to Yvonne P. Hall at Bronx Lebanon Hospital in the Bronx. Emmanuel was 14 months old when he came into his stepdad's life and was truly a blessing to Darreyl Williams.

At an early age Emmanuel showed a keen ability to learn and comprehend things on his own. He became known to his mother as her little "fixer man". Emmanuel took pride in learning. He knew things and was able to fix and solve problems which made him get along with the many acquaintances and friends he met during his childhood.

As Emmanuel got older, he became very fond of the video game culture and learned about computers. He enjoyed skateboarding, bike riding, and many recreational and outdoor activities. However, it was his love for computers and gaming is where he found his passion.

Emmanuel Graduated from Everest Institute in Columbus, Ohio. He took pride in learning I.T. and always acknowledged himself as an I.T. Professional. Emmanuel worked different jobs as a Computer Repair Technician in his early twenties.

At the age of 23, Emmanuel enlisted into the United States Air Force branch of the Military in 2017. After six years of active duty, he was honorably discharged from the Air Force and began working at the Amazon Warehouse until he was called home to the Lord on May 7, 2024.

Emmanuel leaves to cherish his memory, his mother, Yvonne Hall; son, Braxton Hall; stepdad, Darryl Williams, and a host of aunts, uncles, and cousins.
