Family and Friends

Love is life. We question what life is. Life is love. The meaning of life from birth to death is love. With birth come everlasting smiles and memories of what true love is. Families are the most important part of love's innermost message. A family's hold is stronger than any natural force with its gusts of wind, rolls of waves and shakes of earth. Love is what holds the strength to withstand any and all obstacles. Loved ones embrace the trust and compassion of their lovers. We are one, we share our love as the sun shares the sky with the clouds, and the river's and the mountains. Our life is more than the everyday routine of ordinary. Our lives are to love and spread love to those who need it most. We are united as one people to be equally created with the same love we are to create.

Love is our life and to live is to love.

IN CELEBRATION OF

The Obituary

James spent the earlier part of his life in Minneapolis, MN and Toledo, OH. He attended Scott High School in Toledo where he played football and was a stellar athlete. In his later teenage years, he found his love for music and taught himself how to play the keyboard and the guitar. That's also around the the time he earned his nickname "FP" meaning Finger Prints because it was said that everything he touched musically was "HOT".

In 2005, he moved to Columbus, OH and started a family of his own, that he loved and cherished and gave everything he never had. He was a huge OSU, CAVS, and Browns fan. His favorite motto is "FAILURE IS NOT AN OPTION" and he lived by that. He loved to cook and he taught all three of his children to cook and worked for a while as a Chef. He also did production at 31 gifts for 3 years and his co-workers became like family to him.

James had such a beautiful spirit and a light about him that you couldn't help but notice. Everyone he came in contact with loved his sense of humor and genuine nature. He was the definition of a gentle giant and his smile/laugh lit up any room. James had a strong relationship with his family and with GOD and he was an amazing Dad, protector and provider. He is truly loved and will be missed!

He was preceeded in death by his Aunt Reba, Aunt Bettye and Uncle Robert Townley and his father.
