

### *Acknowledgement*

*The family is extremely grateful for all acts of kindness displayed during this difficult time. Whether you sent a card or flowers; spoke comforting words; lent a shoulder; whispered a prayer; or simply kept us in your thoughts it has not gone unnoticed.*

My Mother kept a garden.  
A garden of the heart;  
She planted all the good things,  
That gave my life it's start.

She turned me to the sunshine,  
And encouraged me to dream:  
Fostering and nurturing  
The seeds of self-esteem.

And when the winds and rains came,  
She protected me enough;  
But not too much, she knew I'd need  
To stand up strong and tough.

Her constant good example,  
Always taught me right from wrong;  
Markers for my pathway  
To last my whole life long.

I am my Mother's garden,  
I am her legacy.  
And I hope today she feels the love,  
Reflected back from me
