My Twin Gary

*You gave no one a last farewell, nor ever said goodbye.
You were gone before we knew it.*

*It broke our hearts to lose you, but you didn't go alone,
for part of us went with you.*

*You said to always remember to forget the things that
made me sad. But never forget to remember the things
that make me glad.*

*Always remember to forget the friends that proved
untrue. But never forget to remember those that have
stuck by you.*

*Always remember to forget the troubles that may pass
my way. But never forget to remember the Blessings
that comes each day/ With the LORD by my side, I will
remember.*

Obituary

Jack "Gary" Coleman began his 75-year journey in Columbus, Ohio on December 29, 1947.

Jack was born with his twin sister, Jackie "Gail"; she was born first.

Jack finished his fight after a courageous and gallant battle with his sickness. Jack completed his course and task and laid down his arms on the 15th of December 2023 at Riverside Hospital in Columbus, Ohio.

Jack received his education through the Columbus Public school system. He furthered his formal education and graduated with a Bachelor of Science on June 13, 1975.

Jack had a passion for reading, fishing, along with the Ohio State Buckeyes, but most of all he loved plants, which were everywhere.

Jack enlisted in the Marine Corps on April 25, 1967 and served his country in the Vietnam War and he received the Purple Heart Medal.

Jack will now be with his fellow Marine Corps Brothers again in the National Military Cemetery in Dayton, Ohio.

I'm Always There for You

Now you have an angel
A guardian up above
Looking ever watchful
A commitment of my love

Serving God and country
Is what I've always known
Examples all around me
And through this I have grown

All of us make sacrifices
It's just how much we give
There truly are no limits
It is how we're meant to live

Remember me with a flag that flies
The red, the white and blue
I'll be there watching over
Because I'm always there for you
