

Acknowledgement

The family of Doneishia English wishes to express their heartfelt gratitude for all the kindness, prayers, words of comfort, phone calls and cards extended to us during our time of bereavement.

No act has gone unnoticed.

I hope and pray today brings us all strength, hope and peace in our broken state. We were blessed to be granted out time with Donii, we should honor her life. Using the lesson, she taught us all that tomorrow is not promised and we must cherish every second and everyone in our lives we love and care for. I believe she would want us to know that she is okay and at peace and we must find the good in this situation. Our lives will never be the same, but we can grow to be more mindful of the things we take for granted. May the Almighty relinquish our pain and renew our hearts and souls with peace, love, hope and wisdom. This is no one's fault, no one is to blame. God called our baby home because she was ready to receive his grace.

Rest in peace DoniiBoo!!

You will always be with us.

Gone but never forgotten our glorious angel!

Love you!
