Letter from Heaven

*When tomorrow starts without me,
and I'm not here to see,
if the sun should rise and find your
eyes, filled with tears for me.*

*I wish so much you wouldn't cry,
the way you did today,
while thinking of the many things
we didn't get to say.*

*I know how much you love me,
as much as I love you,
and each time you think of me,
I know you'll miss me too.*

*When tomorrow starts without me,
don't think we're far apart,
for every time you think of me,
I'm right there in your heart. ♥*
