The Obituary

Tena E. Howard, 80 years, went home to be with the Lord peacefully on Sunday, November 29, 2020 in Dayton, Ohio. She was born January 27, 1940 the daughter of James and Ella (Lewis) Powers in Springfield OH.

Tena was a lifelong dedicated member of Mt. Carmel Baptist Church of Springfield, OH. As a member of Mt. Carmel she served in many ministries; as an usher for three years, in the nurses' unit for ten years, in the kitchen ministry while singing in the choir, as a Deaconess, as the Pastor's aide and ultimately named "Mother of the Church". She retired from Wittenberg University after twenty years of service. She enjoyed cooking, baking, cleaning and one of her most favorite things to say was "*I'm just piddling around*". She loved spending time with her family. She was the true epitome of a God-fearing Virtuous woman. A loving mother, wife, and friend, even strangers felt her genuine love and presence. Her smile would light up the room and her laugh was contagious. She was the glue that held the family together and she always put family first.

Tena's precious memory will be cherished by her two loving daughters, Victoria Macklin and Brenda (Dale) Cobb; her loving son, Duncan Bradley Sr., all of Springfield, OH; her loving step children, Gregory Howard and Kimberly Love; twenty one grandchildren, fifty three great grandchildren, thirty great-great grandchildren; two sisters, Patricia Powers of California and Wilma Powers of Arizona; two brothers, James (Jackie) Powers of Springfield, OH and Ralph Leon (Edwinna) Powers of Cincinnati, OH; special aunt, Vivian Lewis; special sister-in-law, Sumothia Howard; son-in-law, Richard Exon; special friends, Connie Wilson and Sheila; and a host of nieces, nephews, cousins, and friends. To know her was to truly love her in return.

Tena is preceded in death by her parents; her husband of 37 years, Cleophus Howard; daughter, Karla Bradley Exon; son, Roger Powers Sr.; grandsons, Deantra Maurice Bradley and Techon Baker; and great grandsons, Isaiah Mays and Debmon Powers-Jones.
