To Lose A Child...

That is a devastating thing
you were not just my son but my king
I never would of imagined life without you
we're supposed to ride all the way through
Through all the ups and the downs
we were adjusting our crowns
We kept each other on track
we had each other's back
Now a piece of me has left my side
and all I can do is cry and cry
I know that you're with Our Lord
singing with the angels on one accord
You're also with granny and uncle & more
for they will meet you at heavens door
Hug my momma for me real tight
then I'll know that it'll be alright
This is a big adjustment coming my way
that leaves me no choice but to PRAY.
I LOVE YOU MY SON.

Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God.
