Missing You Always

*You never said I'm leaving,
You never said goodbye.
You were gone before I knew it,
And only God knew why.*

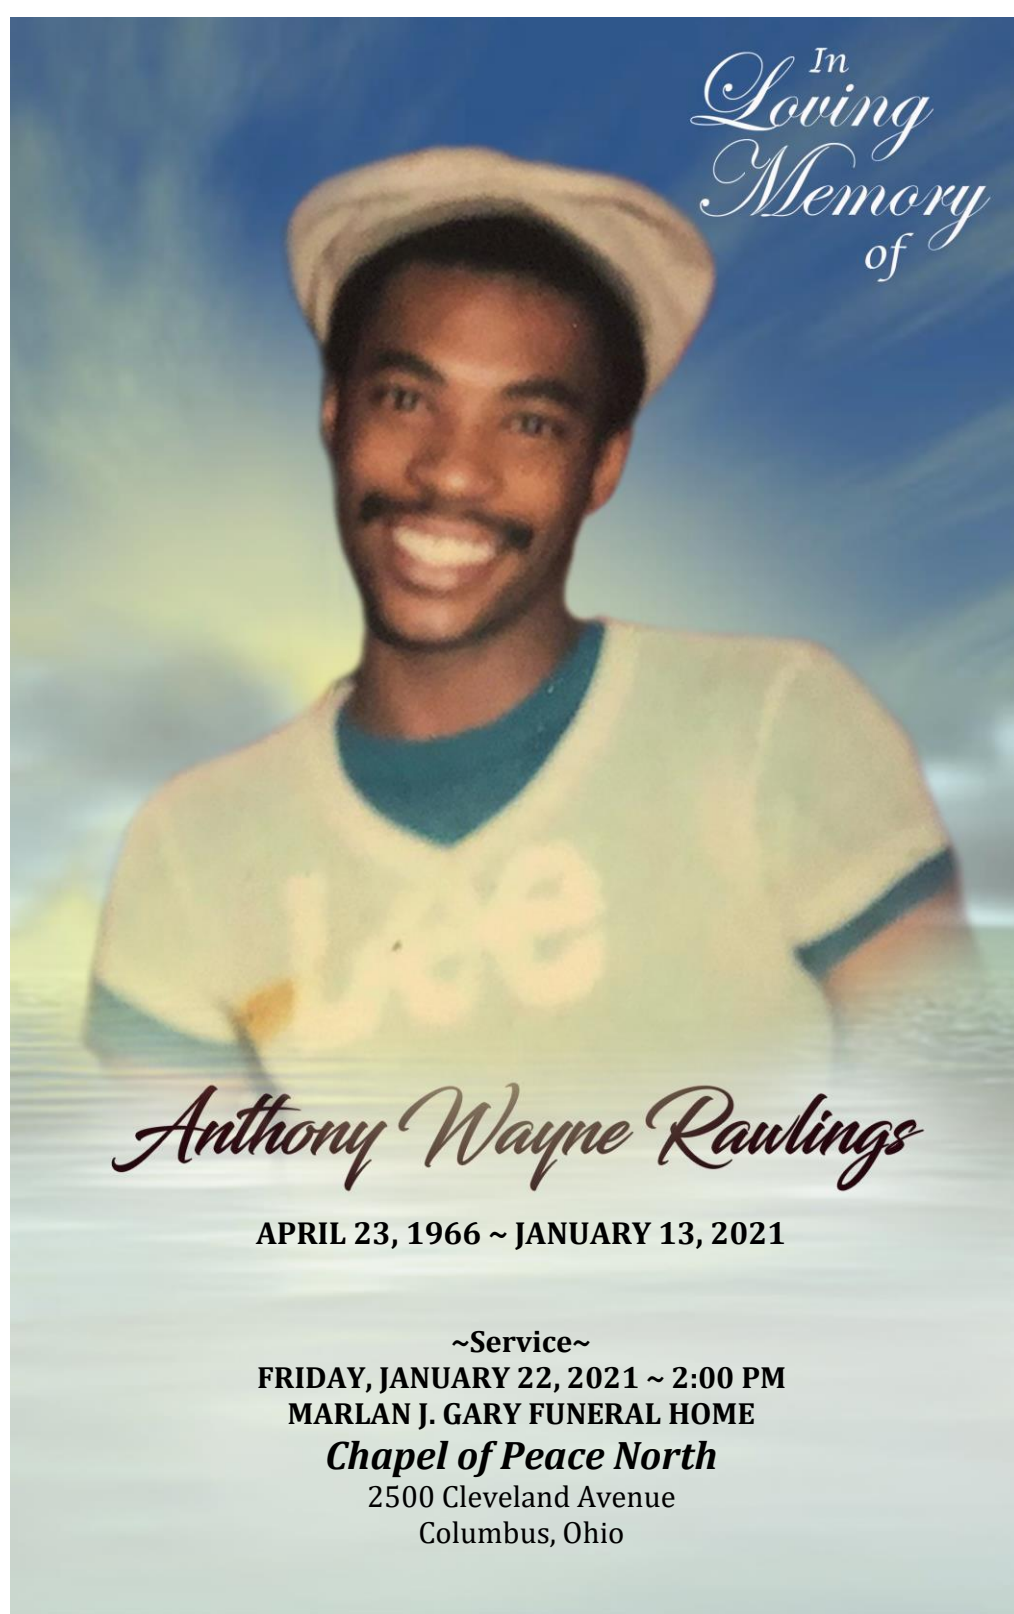

*A million times I will need you,
And a million times I probably will cry.
If love alone could have saved you,
You would never have died.*

*It broke my heart to lose you,
But you didn't go alone.
As part of me went with you,
The day God took you Home.*
