

### *Acknowledgement*

*The family would like to thank everyone for their love, support,  
prayers, texts, and all acts of kindness shown in this difficult time.  
We are truly grateful.*

### *I Am Free*

*Don't grieve for me, for now I'm free,  
I'm following the path God laid for me.  
I took his hand when I heard his call,  
I turned my back and left it all.*

*I could not stay another day,  
To laugh, to love, to work, to play.  
Tasks left undone must stay that way,  
I've found that peace at the close of the day.*

*If my parting has left a void,  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss,  
Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My Life's been full, I savored much,  
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free*
