The Broken Chain

We little knew that morning
That God would call your name
In life we loved you dearly
In death we do the same

It broke our hearts to lose you
You did not go alone
For part of us went with you
The day God called you home

You left us beautiful memories
Your love is still our guide
And although we cannot see you
You're always by our side

Our family chain is broken
And nothing seems the same
But as God calls us one by one
The chain will link again
