When tomorrow starts without me  
And I'm not there to see;  
If the sun should rise and find your eyes  
All filled with tears for me.

I wish so much you wouldn't cry  
The way you did today;  
While thinking of the many things  
We didn't get to say.

I know how much you love me  
As much as I love you;  
And each time that you think of me,  
I know you'll miss me too.

When tomorrow starts without me,  
Don't think we're far apart  
For every time you think of me,  
I'm right here in your heart.

## *The Obituary*

Noel Dunlap, was born June 23rd, 1968 in Detroit, Michigan to Ronald Cummings and Lillie Dunlap. He transitioned from this life on April 19th, 2022 in Columbus, Ohio at the age of 53.

Noel was the firstborn child to his Mother, and the firstborn grandchild to his Grandparents. Noel's hobbies included listening to music, watching classic movies, and sharing his passion of story telling with all who would listen. Noel always had a listening ear and a helping hand and knew no stranger. Noel loved his family and above all he loved his mother.

Noel had a passion for helping people, his family members and friends have experienced his love and concern for their well-being constantly. Because of his love for people, Noel wanted to become a minister. Even though he didn't receive the traditional acknowledgement and ordination as a minister, on a daily basis he ministered to all who knew him. In spite of the physical challenges Noel faced every day, he still took the time to consider the well-being of others.

In his youth, Noel enjoyed playing tennis with his mother and was looking forward to the day when he could get back out on the court with her. His all time favorite gospel artist was The Winans.

Noel is preceded in death by his Father Ronald Cummings (Detroit, MI), Grandfather Jesse Dunlap (Detroit, MI), and Grandmother Willie Mae Dunlap (Detroit, MI).

Noel is survived by his mother, Lillie Dunlap (Columbus, OH), and brothers: Ronald (Moreno Valley, CA), Eric (Columbus, OH), and Daryl (Columbus, OH).
