To My Sister

My sister had a enlarged heart but not in the way you might think. Her heart was bigger than the average heart and I say that because of all the love she poured out to everyone. She never turned anyone away. If you needed to talk, she was always willing to listen. If you were hurting, her arms were open to hold and comfort you and she looked you deep in your eyes and with just a look, you knew how special you were to her and how much she loved you. I'm going to miss her more than I can express, but although I cry, now I rejoice in the knowledge that I will see her again. L Thes 4-13 . We believe that Jesus died and rose again and so we believe that God will bring Jesus those who have fallen asleep in Him, we wilk have a heavenly reunion one day.

I love you Cheryl forever!

And if it seem evil unto you to serve the Lord, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the Lord.

Joshua 24:15
