### Her Journey's Just Begun

Don't think of her as gone away, her  
journey's just begun  
Life holds so many facets, this earth is  
only one.

Just think of her as resting from the  
sorrows and the tears

In a place of warmth and comfort  
where there are no days or years.  
Think how she must be wishing that  
we could know today

How nothing but our sadness, can  
really pass away.

And think of her as living in the  
hearts of those she touched  
For nothing loved is ever lost and she  
was loved so much.

## Obituary

Frances Elizabeth (Peery) Miller, a beloved resident of Columbus, Ohio, peacefully departed this world on Friday, September 15, 2023, at the age of 94. She was born in Bluefield, West Virginia, on June 5th, 1929, to the proud parents Charles and Rozella Peery.

Frances received her education in her hometown of Bluefield, West Virginia, and went on to pursue her dreams at Winston Salem University, where she dedicated herself to the noble path of teaching. During her time there, she became a cherished member of Delta Sigma Theta Sorority Incorporated, forging bonds that would last a lifetime.

Frances was a paragon of generosity, her heart brimming with love and compassion. She never missed an opportunity to celebrate life's special moments, whether it was a birthday, holiday, or any other occasion. Her love and care knew no bounds.

Her greatest source of pride and joy in life were her children and grandchildren, who she nurtured and cherished with unwavering devotion.

Frances was preceded in death by her beloved William Richardson and Thurman "Bill" Miller. She leaves behind a legacy of love and a family who adored her. She is survived by her loving and dedicated daughter, Courtney Helm, along with her grandchildren Ania Helm and Guy Helm Jr., as well as her son Bryon Richardson and his children Tiara, Jevon, and Bryon Richardson Jr. She also leaves behind a wide circle of family and friends who will forever hold her memory dear. In her leisure time, Frances found immense pleasure in reading, shopping, and traveling, her interests flowing seamlessly in no particular order. Her zest for life and her enduring spirit will be fondly remembered by all who had the privilege of knowing her.

Frances' presence enriched the lives of those around her, and her memory will continue to warm our hearts.
