Four Roses For You

*The first rose represents our grief.
The pain of losing you is intense.
It reminds us of the depth of our love for you.*

*This second rose represents our courage.
To confront our sorrow,
To comfort each other,
To change our lives.*

*This third rose represents your memory.
For the times we laughed,
The times we cried,
The times we were angry with each other,
The silly things you did,
The caring and joy you gave us.*

*This fourth rose is for our love.
We enjoy beauty and its presence,
Continuing to guide and lead us.
Regardless of the seasons of our lives,
Our love for you will continue.*

*We cherish the special place in our hearts
that will always be reserved for you.
We thank you for the gift
your living brought to each of us.
We love you.
We remember you.*

*Do not let your hearts be troubled. You believe in God,
Believe also in me. My Father's house has many rooms; if
that were not so, would I have told you that I
am going there to prepare a place for you.*
