### ***Keeping My Daddy With Me***

My heart changed when you left.

Time froze and I wanted to hide.

It was a moment that will stay with me forever...

the day my Daddy died.

I am remembering good times

and forgetting all of the bad...

holding onto special times

And the laughter we had.

I am living for today,

because it is what I must do...

but that does not stop me

from thinking about you.

I will love you always and forever.

One day, Heaven will bring us together.

So watch over us Daddy, as I know you do,

and I will keep remembering how much I love you.

### *As I Sit In Heaven*

*As I sit in heaven and I watch you every day, I try to let you know with signs that I never went away. I hear you when you're laughing and watch you as you sleep; I even place my arms around you to calm you as you weep. I see you wish the days away begging to have me home, so I try to send you signs so you know you're not alone. Don't feel guilty because you have a life that I was denied to me. Heaven is truly beautiful just you wait and see, so live your life laugh again, enjoy yourself and be free then I know with every breath you take you'll be taking one for me.*

Thank You, Tiffany Wade
