The Broken Chain

*We little knew that morning
That God would call your name
In life we loved you dearly
In death we do the same*

*It broke our hearts to lose you
You did not go alone
For part of us went with you
The day God called you home*

*You left us beautiful memories
Your love is still our guide
And although we cannot see you
You're always by our side*

*Our family chain is broken
And nothing seems the same
But as God calls us one by one
The chain will link again*
