## *The Family Tree*

A limb has fallen from the family tree  
I hear a voice that whispers, 'Grieve not  
for me'  
Remember the best times, the laughter,  
the songs  
The good I lived while I was strong  
Continue my heritage, I'm counting on  
you  
Keep on smiling, the sun will shine  
through.  
My mind is at ease, my soul is at rest  
Remembering all...how I was truly  
blessed  
Continue traditions, no matter how small  
Go on with your lives, don't stare at the  
wall  
I miss you all dearly so keep up your chin  
Until that fine day we're together again.

# Son

It's sometimes hard to know  
why some things happen as they do  
for so much *joy and happiness*  
was centered around you

It seems so hard to comprehend  
that you're no longer here  
but all the *happy memories*  
will help to keep you near

You're thought about with *pride*, Son  
with each mention of your name  
death cannot change a single thing  
the *love* will still remain

*Look for Me  
In Rainbows*

Time for me to go now, I won't say goodbye;  
Look for me in rainbows, way up in the sky.  
In the morning sunrise when all the world is new,  
Just look for me and love me,  
as you know I loved you.

Time for me to go now, I won't say goodbye;  
Look for me in rainbows, high up in the sky.  
In the evening sunset,  
when all the world is through,  
Just look for me and love me  
and I'll be close to you.

It won't be forever, the day will come and then  
My loving arms will hold you,  
when we meet again.

Time for us to part now, we won't say goodbye;  
Look for me in rainbows, shining in the sky.  
Every waking moment and  
all your whole life through  
Just look for me and love me,  
as you know I loved you.

Just wish me near to you,  
And I'll be there with you.
